BEO
1-28-03

Applicant : Bidyut K. SEN
Serial No.: 10/010,237
Filed : December 7, 2001
Title : WINDOWFRAME CAPACITOR

Art Unit : 2822
Examiner : Monica LEWIS

Assistant Commissioner for Patents
Washington, DC 20231

REPLY UNDER 37 CFR § 1.111

Dear Sir:

In response to the Office Action dated December 3, 2002, please amend the application as follows and consider the included remarks.

RECEIVED
JAN 22 2003
TECHNOLOGY CENTER 2800

IN THE TITLE

Applicant requests that the incorrect title of the application be corrected from "**Window Frame Capacitor**" to "**WINDOWFRAME CAPACITOR**".

Enclosed is a copy of the filing receipt as received from the PTO. The title is in error. The correct title should be "**WINDOWFRAME CAPACITOR**", as shown in the enclosed copies of:

- 1) the first page of the transmittal letter which shows the correct title of the application;
- 2) the application cover sheet bearing the correct title of the application;
- 3) the signed Declaration of the application which shows the correct title of the application; and
- 4) the signed Assignment of the application which shows the correct title of the application .
